World University Service (WUS):

Programme Description

The World University Service (WUS) is an international, politically and denominationally independent organisation. It exists in over 50 countries worldwide and sees itself as an international community of students, teachers and employees in the education sector. Students and graduates from the developing countries of Asia, Africa and Latin America may apply to the WUS for a one-year scholarship which can be extended under certain circumstances. This offer is open to students of all disciplines who would like to gain a German first degree or, as graduates, would like to complete a postgraduate course. The scholarship consists of the basic scholarship plus health insurance contributions and costs for travel to Germany and back. In addition, the WUS offers seminars and counselling specifically for non-scholarship holders regarding preparations and support for their return home.
